Dear Mr. Irving -

I'm not exactly sure what information you are looking for. Neither Timothy Foster or Susan Swaney are interred here at Woodbrook Cemetery. From looking at the card they may have lived in Woburn at the time they purchased the lot and passed away outside this area. Woodbrook Cemetery is, and always has been, a resident only cemetery. All the people interred in this lot lived and died outside of Woburn. Willis died in Dorchester (aka Boston) on 7/22/19, all of the following died in Cambridge - Sarah on 5/31/32, Fern on 12/21/83, Charles on 5/19/43, Carrie on 11/12/49 and Henry on 10/27/32. Fern Foster-Harms died in Somerville on 6/10/49 and Juliette died in E. Liverpool, OH on 5/19/49. We have no additional information filed here. If you want any other information you will have to contact the individual municipalities to find out what information they can supply.

I hope this has been of some help to you in your search.

Merry Christmas and a Happy New Year
Barbara Nowell, Secretary
